Ticket Man Woodson James 2016-11-11 Orphaned and homeless in New York City at 14 years old in 2009, Carlo Juliano lived on the streets to survive until a local crime family boss, Johnny Toracio, gave him a job, his own place to live, and mentored him into a life as a gangster. For the next few years, Carlo flourished on the streets of New York befriending leaders of construction scams, art theft rings, drug cartels, biker gangs, extortion rackets, gambling, and cybercrime. In 2015, a series of events ignited a treacherous power struggle for control of

New York City's underworld.

Rolling Perfection Russell Brown 2018-03-25 Rolling Perfection is a How-To using a specific 2-part LP paint.

[Interlux Perfection(tm)] The method is developed by Russell Brown to roll on and not tip with a brush, while still achieving a sprayed look finish. The author has used this method on his boats for over 2 decades and is continually impressed with this particular line of paint. This book describes his method for use with this particular paint. This booklet is usually sold as a digital download through Port Townsend Watercraft. This current print version is the first edition print book created by popular demand but as a second edition due to additional chapters on tactics for painting complex areas, as well as small parts, and applying non-skid. Contact Port Townsend Watercraft if you have already purchased the e-book version for a special price on this second edition.

Time and Tide Lenalee N. Robinson 2022-07-25 Lucy Nash has just finished up her sophomore year of high school and is anticipating an uneventful summer at her rural Georgia home. . . that is, until a weird twist of fate and physics takes her on a trip back through time to the year 1975 with Cameron Hall, a boy her age whose own time is thirty years into her future. Cameron is hoping to stop a series of child disappearances, one of which deeply affected his family, and ends up teaming up with his accidental "passenger" to solve the crime. But despite their access to resources from the future, can two teenagers resolve a mystery that has remained a cold case for over sixty years. . . and what impact will their presence in the past have on their own lives - and their own futures?
