No Nonsense Technician Class - KB6NU's Ham Radio Blog

Amateur radio, also known as ham radio, is a hobby enjoyed by hundreds of thousands of Americans and millions around the world. They enjoy communicating with one another via two-way radios and experimenting with antennas and electronic circuits. All kinds of people are amateur radio operators, also known as "hams." Hams are young, old, men,

Back Together - American Radio Relay League

is a popular service and hobby with more than 779,000 practitioners in the US alone, and 1.75 million worldwide. The numerous activities that are possible on the amateur radio frequencies range from public service, to scientific experimentation, to sheer fun. There are federally licensed "hams" everywhere — in your neighborhood,
