We Are Still Tornadoes Michael Kun 2016-11-01 "Growing up across the street from each other, Scott and Cath have been best friends their entire lives. Cath would help Scott with his English homework, he would make her mix tapes (it's the 80's after all), and any fight they had would be forgotten over TV and cookies. But now they've graduated high school and Cath is off to college while Scott is at home pursuing his musical dreams. During their first year apart, Scott and Cath's letters help them understand heartache, annoying roommates, family drama and the pressure to figure out what to do with the rest of their lives. And through it all, they realize that the only person they want to turn to is each other. But does that mean they should be more than friends? The only thing that's clear is that change is an inescapable part of growing up. And the friends who help us navigate it share an unshakable bond. This funny yet deeply moving book--set to an awesome 80's soundtrack--captures all the beautiful confusion and emotional intensity we find on the verge of adulthood...and first love"--

The Glittering Court Richelle Mead 2016-04-05 A #1 NEW YORK TIMES BEST SELLER The Selection meets Reign in this dazzling trilogy of interwoven novels about three girls on a quest for freedom and true love from #1 internationally bestselling author Richelle Mead. "Brilliant and original, Mead's new series starts off with a bang and will leave readers on the edge of their seats until the very end." —School Library Journal For a select group of girls, the Glittering Court offers a shot at a life they've only ever dreamed of, one of luxury, glamour, and leisure. To high-born Adelaide, whose wealthy family is forcing her into a loveless marriage, the Glittering Court represents something else: the chance to chart her own destiny, and adventure in an unspoiled, prosperous new land across the sea. After a chance meeting with the dazzling Cedric Thorn, Adelaide poses as a servant to join the crop of impoverished girls he promises to transform into proper ladies. But her familiarity with upper class life comes with a price: she must hide her identity from her new friends, mysterious refugee Mira and fiery former laundress Tamsin, and most importantly, from Cedric himself—even though she's falling in love with him. Everything begins to crumble when Cedric discovers Adelaide's

ruse, and she catches the eye of a powerful young governor, who wants her for a wife. She didn't leave the gilded cage of her old life behind just to become someone else's property. But nothing is as daunting—or as wonderful—as the potent, forbidden attraction simmering between Adelaide and Cedric. One that, if acted on, would make them both outcasts in a wild, dangerous, uncharted world, and possibly lead them to their deaths.
