The set-up was done by someone wicked, someone who wants him out of the game. After all, there's a lot of truth to the saying, "Out of sight, out of mind." My aunt takes pity on me and takes me in, which means I get to spend all of my days at Fate High School. The school is its own sort of prison, but it doesn't matter. I'm just biding my time until I can actually prove that my dad is innocent: that he doesn't deserve what happened to him. In the meantime, I'm stuck navigating a new school, new groups, and new cliques. Oh, and the Legends. The three bad-boy bullies of the school have their own little group, one I want no part of. Too bad they can't seem to take their eyes off of me. This is a bully reverse harem high school story with steamy scenes, bad boys, and bullying. Her Shifter Harem's Babies [Full Collection] Layla Heart 2022-08-25 Cyra, a rare Omega phoenix shifter, has been hiding from the shifter world for years, but she's about to be dragged back into it in a big way. Cyra feels that she's pretty good at pretending that she's human, she's got a job at a cafe and is a princess for hire for birthday parties for kids. Money is always tight, but she likes her freedom and that's worth a lot to her. Rare Omegas like her are never truly safe. Either because her parents keep trying to marry her off to some rich Alpha for the money and status it would bring them, or the constant danger of being found out, kidnapped and bred by some random shifter family hoping to gain status from that. Once she's claimed by an Alpha, she'll become the Alpha's property, and she refuses to live like that. But those situations become real possibilities when Cyra finds herself at the start of the shifter mating season with an old car that constantly breaks down and her stash of medication that she uses to hide her Omega status running dangerously low, and no money to afford to do something about either problem. Her problems get even worse when two playboy Alphas, a hydra and a griffin, start showing up at the cafe. Their teasing and interest making her feel things and want things she's sworn to never do with another shifter, for the risk of what could happen is too great for the short enjoyment it would bring. But the final straw is when she accidentally accepts to play a princess at a shifter kid's birthday party and her car breaks down right as she's about to leave. Luckily, or maybe she's just that unlucky, two kind Alphas, a cerberus and a centaur, are able to give her a ride back home. Their kindness making her feel safe and comforted, even when it's not safe for her at all. In a bout of recklessness and a desperate need for the money, she accepts the offer of the cerberus and centaur to be their date to the yearly Night Gala. An exclusive event at the start of the mating season where Alphas, Betas and Omegas can meet, but it's not uncommon for humans to attend too, as 'dates' or staff. One night of looking pretty and eating fancy food and she'd be able to not only fix her car but afford the medication she needs, the offer is too tempting. What she hadn't expected was for the hydra and the griffin to show up too. Or how all four Alphas would react to her Omega scent. Or how the media would hound them through the city as the five are trying to figure out what's going on. Or, worst of all, how her parents would use this opportunity to get the fame they've always wanted by claiming that the four Alphas have kidnapped Cyra and that she's already promised to another Alpha. Now the five not only have to figure out their feelings, but are also on the run from the media, the police and anyone interested in getting their hands on a rare Omega, no matter the cost... This collection contains all four books in the Her Shifter Harem's Babies series, Omega Phoenix: Claimed, Omega Phoenix: Hunted, Omega Phoenix: Pursued and Omega Phoenix: Provoked. This is a paranormal Omegaverse reverse harem #WhyChoose romance. These books may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This series contains MF, MM and group scenes.

The Age of Innocence Edith Wharton 2002-03-21 The Age of Innocence marks the pinnacle of Edith Wharton's career as one of the finest American novelists of her era. The narrative follows Newland Archer, of upper-crust 1870s New York, whose passion for the mysterious Countess Ellen Olenska leads him to question the very foundations of his way of life. Written in the aftermath of World War I, the novel explores the psychological and cultural paradoxes of desire in a world undergoing unprecedented transformations. This edition includes a critical introduction and a range of appendices that contextualize the novel in terms of its modernist themes and tensions.
