The Carpet Makers Andreas Eschbach 2013-07-30 Since the time of pre-history, carpetmakers tie intricate knots to form carpets for the court of the Emperor. These carpets are made from the hairs of wives and daughters; they are so detailed and fragile that each carpetmaker finishes only one single carpet in his entire lifetime. This art descends from father to son, since the beginning of time itself. But one day the empire of the God Emperor vanishes, and strangers begin to

arrive from the stars to follow the trace of the hair carpets. What these strangers discover is beyond all belief, more than anything they could have ever imagined... Brought to the attention of Tor Books by Orson Scott Card, this edition of *The Carpet Makers* contains a special introduction by Orson Scott Card. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Troisième humanité* Bernard Werber 2012-10-03 Nous sommes à l'ère de la deuxième humanité. Il y en a eu une avant. Il y en aura une... après. En Antarctique, le paléontologue Charles Wells et son expédition découvrent, tout au fond d'un lac souterrain, les restes de squelettes humains d'environ 17 mètres de long. A Paris, le projet

d'étude de son fils David sur le rapetissement humain est sélectionné par un tout nouveau programme de recherches, consacré à « l'évolution de notre espèce ». Wells père a retrouvé l'ancienne humanité, Wells fils entrevoit la prochaine humanité, mais ils sont loin encore de savoir la vérité. C'est grâce au soutien et à la passion amoureuse d'une femme, Aurore Kammerer, spécialiste dans la connaissance des Amazones, que sera révélé le plus surprenant des secrets et réalisée la plus folle des expériences, modifiant à jamais l'avenir des générations futures.

Charles Dickens' - Vox.com The ghastly climax to the gothic Iremonger trilogy The dirt town of Foulsham has been destroyed, its ashes still smoldering. Darkness lies heavily over the city, the sun has not come up for days. Inside the houses throughout the capital, ordinary objects have begun to move. Strange new people run through the darkened streets. There are rumours of a terrible contagion. From the richest mansion to the poorest slum people have disappeared. The police have been instructed to carry arms. And rats, there are rats everywhere. Someone has stolen a certain plug. Someone is lighting a certain box of matches. All will come tumbling down. The Iremongers have come to London.

Candlemoth R.J. Ellory 2014-04-29 Daniel Ford and Nathan Verney were six years old when they first met by a South Carolina lake and became best friends against all odds—Daniel was white, and Nathan was black. Thirty years later, Daniel is convicted of Nathan's murder, and he now faces the long, lonely walk to the electric chair. With time running out until his execution, Daniel tells a sympathetic priest his story, sweeping through first loves, Vietnam, and, finally, the pair's flight from the draft, which ended in Nathan's brutal murder. A powerful vision of the American South in an age of upheaval, Candlemoth is a stunning suspense novel—and an unforgettable tale of lost friendship.

Who Ate Up All the Shinga? Wan-suh Park 2009-07-15 Park Wan-suh is a best-selling and award-winning writer whose work has been widely translated and published throughout the world. Who Ate Up All the Shinga? is an extraordinary account of her experiences growing up during the Japanese occupation of Korea and the Korean War, a time of great oppression, deprivation, and social and political instability. Park Wan-suh was born in 1931 in a small village near

Kaesong, a protected hamlet of no more than twenty families. Park was raised believing that "no matter how many hills and brooks you crossed, the whole world was Korea and everyone in it was Korean." But then the tendrils of the Japanese occupation, which had already worked their way through much of Korean society before her birth, began to encroach on Park's idyll, complicating her day-to-day life. With acerbic wit and brilliant insight, Park describes the characters and events that came to shape her young life, portraying the pervasive ways in which collaboration, assimilation, and resistance intertwined within the Korean social fabric before the outbreak of war. Most absorbing is Park's portrait of her mother, a sharp and resourceful widow who both resisted and conformed to stricture, becoming an enigmatic role model for her struggling daughter. Balancing period detail with universal themes, Park weaves a captivating tale that charms, moves, and wholly engrosses. The Archangel Guide to Ascension Diana Cooper 2015-03-02 Two leading spiritual teachers share new, high-frequency ascending information—so that you can accelerate your journey to the light Since 2012, the energy on this planet has changed considerably, with much more high-frequency energy coming in. In addition, many of the tools and techniques we have been using on the ascension path have moved to a new vibration with different geometric set-ups. Diana Cooper and Tim Wild have been working with the angels for many years and believe that people are ready to receive this higher-level information. The Archangels are stepping in to help you to ascend your frequency to the fifth dimension and beyond. In The Archangel Guide to Ascension, they offer clear steps to accelerate your journey

to the light. These steps are sequential so that your path will be smooth and clear. Each chapter offers guidance about the Archangels, information about the step you are on, and a visualization to assist you. Archangel Metatron, who vibrates with the number 55, is overlighting the whole book, and will be with you as you work with the guidance it offers.

Antan D'enfance Patrick Chamoiseau 1999-01-01 Using the playful, orally inspired, and partially invented language for which he is renowned, Patrick Chamoiseau recalls the brilliant, magical universe of his early childhood in Martinique. At the center of this universe is his extraordinarily vigorous mother and her creative, pragmatic ways of coping with poverty and five children. As Chamoiseau presents these first impressions of an exceptional child growing up in a rich Creole culture, he also reflects in oblique but incisive ways on colonialism. He probes the boundary between reality and imagination, between the child's awakening understanding and the adult's memory of those earlier days.

Into the Forest Jean Hegland 2009-12-23 NOW A MAJOR MOTION PICTURE • Set in the near-future, Into the Forest is a powerfully imagined novel that focuses on the relationship between two teenage sisters living alone in their Northern California forest home. Over 30 miles from the nearest town, and several miles away from their nearest neighbor, Nell and Eva struggle to survive as society begins to decay and collapse around them. No single event precedes society's fall. There is talk of a war overseas and upheaval in Congress, but it still comes as a shock when the electricity runs out and gas is nowhere to be found. The sisters consume the resources left in the house, waiting for the power to return. Their arrival into adulthood, however, forces them to reexamine their place in the world and their relationship to the land and each other. Reminiscent of

Margaret Atwood's *A Handmaid's Tale*, *Into the Forest* is a mesmerizing and thought-provoking novel of hope and despair set in a frighteningly plausible near-future America. Praise for *Into the Forest* “[A] beautifully written and often profoundly moving novel.”—San Francisco Chronicle “A work of extraordinary power, insight and lyricism, *Into the Forest* is both an urgent warning and a passionate celebration of life and love.”—Riane Eisler, author of *The Chalice and the Blade* “From the first page, the sense of crisis and the lucid, honest voice of the . . . narrator pull the reader in. . . . A truly admirable addition to a genre defined by the very high standards of George Orwell's 1984.”—Publishers Weekly (starred review) “Beautifully written.”—Kirkus Reviews “This beautifully written story captures the essential nature of the sister bond: the fierce struggle to be true to one’s own self, only to learn that true strength comes from what they are able to share together.”—Carol Saline, co-author of *Sisters* “Jean Hegland’s sense of character is firm, warm, and wise. . . . [A] fine first novel.”—John Keeble, author of *Yellowfish*

The Personal MBA Josh Kaufman 2010-12-30 Master the

fundamentals, hone your business instincts, and save a fortune in tuition. The consensus is clear: MBA programs are a waste of time and money. Even the elite schools offer outdated assembly-line educations about profit-and-loss statements and PowerPoint presentations. After two years poring over sanitized case studies, students are shuffled off into middle management to find out how business really works. Josh Kaufman has made a business out of distilling the core principles of business and delivering them quickly and concisely to people at all stages of their careers. His blog has introduced hundreds of thousands of readers to the best business books and most powerful business concepts of all time. In *The Personal MBA*, he shares the essentials of sales, marketing, negotiation, strategy, and much more. True leaders aren't made by business schools—they make themselves, seeking out the knowledge, skills, and experiences they need to succeed. Read this book and in one week you will learn the principles it takes most people a lifetime to master.

*Empire Of The Ants* Bernard Werber 2012-12-31 Ants came to this planet long before man. Since then they have developed one of the most intricate civilizations imaginable – a civilization of great richness and technological brilliance. During the few seconds it takes you to read this sentence, some 700 million ants will be born on earth... Edmond Wells had studied ants for years: he knew of the power which existed in their hidden world. On his death, he leaves his apartment to his nephew Jonathan with one proviso: that he must not descend beyond the cellar door. But when the family's dog escapes down the cellar steps, Jonathan has little alternative but to follow. Innocently he enters the world of the ant, whose struggle for existence forces him to reassess man's place in the cycle of nature. It is an

experience that will alter his life for ever... Empire of the Ants is an extraordinary achievement. It takes you inside the ants' universe and reveals it to be a highly organised world, as complex and relentless as human society and even more brutal.

The Summer Queen Elizabeth Chadwick 2014-07-01 New York Times bestselling author Elizabeth Chadwick brings Eleanor of Aquitaine to life with breathtaking historical detail in the first volume of this stunning new trilogy. Eleanor of Aquitaine, the legendary 12th century queen of France and later of England, is one of the most powerful and irrepressible women in medieval history, and her story of romance, scandal and political intrigue has fascinated readers for centuries. Young Eleanor (or Alienor as she was known) has everything to look forward to as the heiress to the wealthy Aquitaine. But when her beloved father William X suddenly dies, childhood is over. Sent to Paris and forced to marry Prince Louis VII of France, she barely adjusts before another death catapults them to King and Queen. At the age of just 13, Eleanor must leave everything behind and learn to navigate the complex and vivacious French court. Faced with great scandals, trials, fraught relationships, and forbidden love at every turn, Eleanor finally sees what her future could hold if she could just seize the moment. The first in this highly anticipated trilogy, The Summer Queen follows Eleanor through the Second Crusade to the end of her marriage to Louis VII. The author's meticulous research (including delving into the Akashic records) portrays the Middle Ages and Eleanor with depth and vivid imagery unparalleled in historical fiction that will keep readers riveted and wanting more.

The Girl Next Door Patricia MacDonald 2010-05-11 Patricia

MacDonald has won a worldwide audience of readers with her page-turning novels of domestic suspense that twist and turn with surprises. Now she presents a riveting thriller about a young woman who finds her life threatened when she returns to her picture-perfect suburban hometown where a brutal crime shattered her family when she was a teenager. The affluent town of Hoffman, New Jersey reeled in disbelief when highly esteemed physician Duncan Avery stabbed his wife Marsha to death one spring evening. The two Avery sons turned their backs on their father but his daughter Nina never stopped believing in his innocence. Now, fifteen years later, Nina, a struggling actress in New York City, returns to Hoffman when her father is paroled and insists on re-settling there. Not only does Dr. Avery want to repair his relationships with his sons and meet his grandchildren, he claims he wants to find out who killed his wife. But neither Nina's brother Patrick, a successful investment banker with a wife and twin sons, nor Jimmy, a recovering drug addict who has adopted a new family, can bear to acknowledge their father's return. Then, as suddenly as before, another act of violence overturns the Averys' lives. No longer certain if she can trust her family, her neighbors, or her old friends, Nina finds she can rely only on herself and a surprising new ally in her life as she searches for the truth behind crimes past and present. If she digs deep-down into the secrets of her family's and her neighbors' lives she stands a chance of catching a killer before she becomes his next victim. With psychologically perceptive characterizations, emotional realism, and a gripping story line, *The Girl Next Door* exposes the dark impulses and fierce passions that can rule seemingly ordinary people and showcases Patricia MacDonald at the height of her celebrated powers.

Hector and the Search for Lost Time Francois Lelord 2012-07-31 The delightful third book in the multimillion-copy internationally bestselling series Being up against the clock

was a real problem for so many people, thought Hector. What could he possibly do to help them? First he tackled happiness. Then he took on love. And now Hector, our endearing young French psychiatrist, confronts the persistent march of time. His patients lament that there is not enough time in the day. Or they feel that life is passing them by. And in one case, a young boy turns the problem on its head: He's impatient to grow up! Hector himself is increasingly aware of time: He doesn't feel quite so young anymore, and the clock is ticking on his relationship with his beloved Clara. So as time flies, so does our wise and winsome hero in his latest adventure, traveling around the world to understand the past, the future, and how best to enjoy the present.

An Introduction to Translation Practice (English-Spanish/Catalan) Sergio Maruenda Bataller 2012-02-16  
Aquest llibre tracta sobre la traducció, un ampli fenomen que ha existit quasi des que els éssers humans van començar a escriure. En aquest volum s'adopta un enfocament pràctic per a l'ensenyament de la traducció de l'anglès a l'espanyol o al català. Organitzat en dues parts, en la primera es revisen

aquells processos fonamentals i aplicats que poden ajudar als aprenents de traductors a desenvolupar el seu treball amb autonomia i fiabilitat, així com per a una millor preparació i millors recursos per a la traducció. En la segona part se centra a desenvolupar l'enfocament pràctic per a la traducció amb la posada en pràctica de quatre projectes: textos turístics, periodístics i informatius, publicitaris i humanístics o culturals. La intenció és oferir als estudiants l'oportunitat de posar en pràctica les habilitats i les competències adquirides.

Professor Moriarty: The Hound of the D'Urbervilles Kim Newman 2011-10-04 Imagine the twisted evil twins of Holmes and Watson and you have the dangerous duo of Prof. James Moriarty - wily, snake-like, fiercely intelligent, unpredictable - and Colonel Sebastian 'Basher' Moran - violent, politically incorrect, debauched. Together they run London crime, owning police and criminals alike. Unravelling mysteries -- all for their own gain. A spin-off from Titan's highly successful Further Adventures of Sherlock Holmes series, The Hound of the D'Urbervilles sees acclaimed novelist Kim Newman (Anno Dracula) take on the fiendish Professor Moriarty.

Conversion Katherine Howe 2015-06-16 From the New York Times bestselling author of The Physick Book of Deliverance Dane comes a chilling mystery? Prep meets The Crucible. It's senior year at St. Joan's Academy, and school is a pressure cooker. College applications, the battle for valedictorian, deciphering boys' texts: Through it all, Colleen Rowley and her friends are expected to keep it together. Until they can't. First it's the school's queen bee, Clara Rutherford, who suddenly falls into uncontrollable tics in the middle of class. Her mystery illness quickly spreads to her closest clique of friends, then more students and symptoms follow: seizures,

hair loss, violent coughing fits. St. Joan's buzzes with rumor; rumor blossoms into full-blown panic. Soon the media descends on Danvers, Massachusetts, as everyone scrambles to find something, or someone, to blame. Pollution? Stress? Or are the girls faking? Only Colleen, who's been reading *The Crucible* for extra credit, comes to realize what nobody else has: Danvers was once Salem Village, where another group of girls suffered from a similarly bizarre epidemic three centuries ago . . . Inspired by true events, from seventeenth-century colonial life to the halls of a modern-day high school, *Conversion* casts a spell. With her signature wit and passion, New York Times bestselling author Katherine Howe delivers an exciting and suspenseful novel, a chilling mystery that raises the question, what's really happening to the girls at St. Joan's?

This Is Your Life John O'Farrell 2007-12-01 “[A] satire of celebrity culture and the numbing effects of fame” by the international bestselling comedy writer and author of *Things Can Only Get Better* (Publishers Weekly). It's a big night at the London Palladium. Jimmy Conway is about to perform his stand-up comedy routine in front of two thousand invited guests and millions more watching the event live on TV. He steps into the spotlights and waits for the applause to die down. He tries to appear confident but he can't help wondering whether he should have shared his little secret with someone by now. Jimmy has never performed comedy, or anything, before. Ever. How did he get here? After convincing a naive journalist that he is the latest comedy phenomenon, the under-achieving Jimmy bluffs and stumbles his way up the celebrity ladder, discovering as he goes that in their desperation to be associated with the next big thing, nobody has bothered to check his credentials. Quicker than you can say “flavor of the month,” Jimmy Conway becomes a

bogus celebrity, winning an award for something he never did, and ultimately fooling the entire celebrity industry. “A wicked farce.” —Daily Express
