Psalms : Volume 2 (Teach the Text Commentary Series) C. Hassell Bullock 2017-12-05 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively. The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture. Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding, teaching, and illustrating the text.

Connections: Year A, Three-Volume Set Joel B. Green 2020-05-19 Designed to empower preachers as they lead congregations to connect their lives to Scripture, Connections features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary. This nine-volume series offers creative commentary on each reading in the three-year lectionary cycle by viewing that reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture, film, fiction, ethics, and other aspects of contemporary life. Commentaries on the Psalms make connections to the other readings and to the congregation's experience of worship. This set contains all three volumes for Year A. Connections is published in partnership with Austin Presbyterian Theological Seminary. This eBook set contains Year A, volumes 1, 2, and 3.

Hill's Manual of Social and Business Forms Thomas Edie Hill 1909

Introduction to the Old Testament Bill T. Arnold 2014-04-07 This volume introduces ancient Israel's Scriptures, or the Hebrew Bible, commonly called the Old Testament. It also traces the legacy of monotheism first found in the pages of the Old Testament. Where pertinent to the message of the Old Testament, the book explores issues of history, comparative religions, and sociology, while striking a balance among these topics by focusing primarily on literary features of the text. In addition, frequent sidebar discussions introduce the reader to contemporary scholarship, especially the results of historical-critical research and archaeology. Along the way, the book explores how the Old Testament conceptualized and gave rise to monotheism, one of the most significant developments in history, giving this study a currency for twenty-first-century readers.

Teach Me to Be Generous Anthony D. Andreassi 2014-03-03 Teach Me to Be Generous tells the remarkable story of Regis High School, the Jesuit school on New York's Upper East Side that was founded in 1914 by an anonymous donor as a school for Catholic boys whose families could not otherwise afford a Catholic education. Enabled by the philanthropy of the founding family for nearly a century, and now by alumni and friends carrying on that tradition of generosity, Regis has been able to provide tuition-free, all-scholarship education for its entire history. It also holds the distinction of being the first free-standing Jesuit high school in the United States, with no connection to any Jesuit colleges or universities. Regis High School's unique story is told by an engaging storyteller and historian who has taught at the school for more than ten years. Father Andreassi offers captivating glimpses into the lives and daily experiences of Regis's students and faculty while chronicling the development of the school's educational philosophy and spiritual approach in its first century. Filled with entertaining anecdotes alongside wider historical context and illuminating statistical analysis, Teach Me to Be Generous tracks Regis High School through the decades of the twentieth century to the present day—from the generosity of a devout Catholic widow, through the Depression and World War II, to changes in demographics of the Catholic community and shifts in the landscape of Catholic education in New York City. During the school's first few decades, Regis admitted thousands of Catholic boys, mostly from poor or lower-middle-class families, helping prepare them for success in college and leadership positions in the professions. Because of the closing of dozens of urban Catholic schools and the general decline of the quality of New York City's public schools, in more recent years the school has faced the challenge of remaining true to its mission in offering an education to Catholic boys "who otherwise would not be able to afford a Catholic education." Teach Me to Be Generous paints a vivid portrait of the first one hundred years of an exceptional institution and looks with hope and confidence to its future.

Instruction and Imagery in Proverbs 1-9 Stuart Weeks 2007-03-08 A detailed examination of Proverbs 1-9, an early Jewish poetic work and an example of Wisdom literature.

Stuart Weeks shows that certain parts of it, profoundly influential on the development of both Judaism and Christianity, belong to a much broader and more intricate set of ideas than older scholarship allowed.

To Delight and Instruct Marcy Taylor 2009-11 This issue considers the sustainability of English studies and of the humanities as a whole in the context of shrinking budgets and job opportunities and of shifting resources. Exploring topics from academic freedom and globalization to digitization, diversity, and the value of a humanities-based education, "To Delight and Instruct" reexamines the work of the English professor and calls for a reassessment of the priorities and means that undergird it. Contributors examine the faculty's fundamental responsibilities to classroom teaching, the university, and the community. Attending to the relationship between changing technologies and literacy in a global environment, the issue not only argues for a reassertion and reimagining of the humanities in the contemporary university but, perhaps as important, helps articulate a way forward. Whatever Happened to Delight? J. Barrie Shepherd 2006 Preaching is an art, J. Barrie Shepherd argues, and the sermon is an art form, an exercise in creativity and imagination. But all too often preaching suffers from a lack of imagination and a loss of the joy and wonder that attracted the crowds to Jesus' words two thousand years ago. In this book, based on his 2003 Beecher Lectures at Yale Divinity School, Shepherd hopes to encourage the preacher toward a more creative vision for the sermon. His approach is spontaneous, eclectic, intuitive, and daring. Shepherd's purpose is to encourage the preacher to think of life as filled with God's presence, to search for the presence, and to use

images and words to unveil that presence. The end result is a sermon that is full of astonishment and delight.
